Dr. J. Herbert Hollomon, Assistant Secretary of Commerce
for Science and Technology

Hon. Donald G. Brotzman, U.S. Representative from the 2nd
District of Colorado

Dr. Eric A. Walker, President of Pennsylvania State University
and President of the National Academy of
Engineering

Dr. Joseph R. Smiley, President of the University of Colorado

*Hon. Robert B. Knecht, Mayor of Boulder

Mrs. Ralph S. Damon, who was gracious enough to be with us last
evening to dedicate the Ralph S. Damon Room,
named for her husband, who was president of
Trans World Airlines and a long-time friend
of the High Altitude Observatory and of the
atmospheric sciences.

Mrs. John A. Love, wife of Governor Love

Mrs. Walter Orr Roberts, wife of UCAR President Roberts

Dr. Joseph Kaplan, President of the International Union of Geodesy and Geophysics

Dr. Alan T. Waterman, Trustee of UCAR and the first Director of the National Science Foundation

*Dr. Lloyd Berkner, President, Graduate Research Center of the Southwest, former Trustee of UCAR, Chairman of the Committee of the National Academy of Sciences whose report led to the establishment of NCAR

*Hon. William S. Jackson, Trustee Emeritus of UCAR, Former Chief Justice of the Colorado Supreme Court, former President of the High Altitude Observatory, and the only man to serve continuously as a Trustee of HAO or of UCAR throughout the entire corporation history

*Dr. Paul E. Klopsteg, former Trustee of UCAR, perennially wise counselor in scientific and corporate affairs, the man who helped coin the phrase, "atmospheric sciences"

*Mr. Martin K. Eby, whose company constructed this building, carrying out Mr. Pei's design with high standards

Dr. John C. Calhoun, Jr., Vice Chairman of UCAR

*Dr. Horace R. Byers, Chairman of UCAR from 1962-65, who will be master of ceremonies at the luncheon

Dr. A. Richard Kassander, Jr., Chairman of UCAR, who will be our principal speaker at the luncheon
