Mesa Lab

To Mark The

50TH ANNIVERSARY
OF THE NCAR MESA LAB

"With your help, I know that we can create, around this building as a focus, a research program of the highest quality, dedicated to the common goal of progress of the atmospheric sciences."

—Walter Orr Roberts,
founding president of UCAR and director of NCAR
May 10, 1967, at the dedication of the NCAR Mesa Laboratory
