**MESA LAB**  
CELEBRATING

**50** YEARS

Rededication of the Mesa Laboratory  
Thursday, August 17, 2017

National Center for Atmospheric Research  
1850 Table Mesa Drive  
Boulder, Colorado 80305

"With your help, I know that we can create, around this building as a focus, a research program of the highest quality, dedicated to the common goal of progress of the atmospheric sciences."

-Dr. Walter Orr Roberts  
Mesa Laboratory dedication speech

"Science, too, should have its cathedrals."

-Dr. Philip Handler  
Mesa Laboratory dedication speech

The National Center for Atmospheric Research is sponsored by the National Science Foundation.
